## STUDENT WALKING PERMIT

Dear Parent/Guardian:

Eastern Westmoreland Career and Technology Center is located on Route 982 – Latrobe. Please consider the points below prior to granting permission for your son or daughter to walk to or from our school.

1. Walking to school may involve crossing/walking along Route 982, which can be extremely dangerous because there are no traffic lights to assist in crossing or sidewalks.
2. The student's safety while in transit is the responsibility of the parent whenever the student chooses not to ride the bus.
3. It shall be the responsibility of the walking student to arrive at the vocational-technical school on or before his/her school district's scheduled start time.
4. Students who abuse this walking permit by being tardy more than two (2) consecutive mornings per semester, irregardless of reason for the tardiness, will automatically lose this privilege.
