January 29, 2021

Dear Parents and Guardians:

The Pennsylvania Department of Education has approved the Eastern Westmoreland Career and Technology Center's request to provide Flexible Instructional Days (FIDs) to our learners. Flexible Instructional Days are permitted to be used if the CTC would need to close our facilities due to inclement weather or an emergency. The Flexible Instructional Day will allow learners to receive remote synchronous instruction when the school must close for inclement weather or an emergency.

If the CTC chooses to utilize a Flexible Instructional Day, notification will occur via an all-call through SchoolMessenger and the school website ([www.ewctc.net](http://www.ewctc.net)). Flexible Instructional Days are counted as a school day, therefore the time will not need to be made up. The CTC has been approved to use up to five (5) Flexible Instructional Days per school year.

For more information, contact the main office at 724-539-9788.

Sincerely,

A handwritten signature in black ink, appearing to read 'Todd Weimer', is written in a cursive style.

Todd Weimer  
Administrative Director
